Mrs. Cation,

It has been a great
 deal of fun in your
 chemistry class this year.
 I hope that you have
 your dreams fulfilled. You
 are a very good teacher and
 I hope to see you next year
 in physics.
 James Burgett

Mrs. Cation,
 It has been an enjoyable year!
 I'm not kidding either. Although
 I may not have accomplished the
 goal of liking Chemistry, it has been
 fun. You are both a great teacher
 and Peter's Club sponsor. Who
 knows-maybe someday I'll be
 as well known as Albert who's his name.
 Best wishes.

Mrs. Cation,
 Best wishes to

 the best teacher I
 have ever had.

Mrs. Cation,
 this year has been one of
 my best at 13 months. It will
 see you next year in physics.
 and I hope to a little later
 say hello to the young man
 Chulhouse. Good luck with
 all your classes and your
 family. Love

This year we are dedicating our annual to a couple of the greatest teachers at R. B. Worthy.

The first teacher is very skillful and intelligent. All the students she works with find her teaching exciting and fun. She has done a tremendous job as English teacher, guidance counselor, and director of numerous plays and assemblies.

The second teacher is one of the favorites of all. He's the kind of teacher who has a kind word or a "hello" to everyone. He has also done an excellent job as teacher and coach of the Shakers.

We salute you:

Mr. and Mrs. Ted Maiden

"Tell it like it is" has been the motto for the 1970-71 Saltshaker Staff. Every effort has been made to cover thoroughly everything from sports events, class and club news to song dedications and advice to the lovelorn.

Each member of the staff contributed his own individuality and talent to make this year's Saltshaker one of the best ever.

Annual Staff

For members of the Annual Staff, work began in the Spring as the staff organized. Giving up summer days was also a part of being on the staff as members walked in either the hot sun or the rain and mud to sell ads.

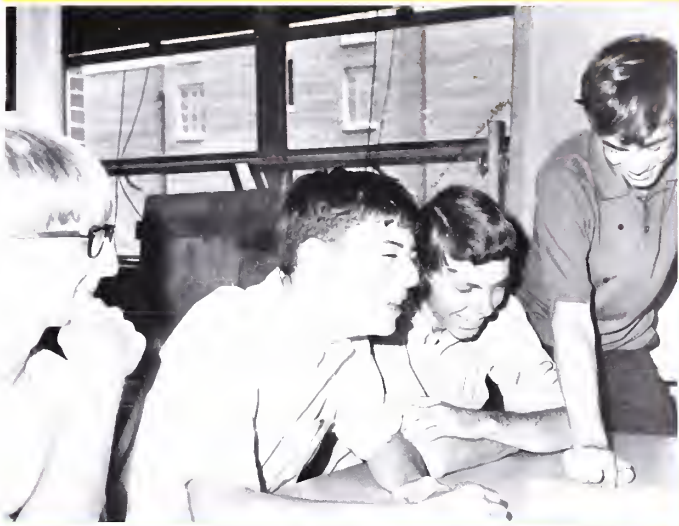

Starting in early fall and continuing through winter, it was a chain of doing layouts, doing copy, and taking pictures until the last deadline was met on time.

Chorus

This year there was something new at Worthy. A choral group consisting of twenty-three members joined together in forming our Chorus. Under the direction of their skilled teacher, Elwood Porshia, they sang on various occasions, such as Christmas and Easter. Selections from different periods of history were sung to acquaint the students with many musical eras.

The Annual Staff would like to take this opportunity to express our gratitude to all our advertisers.

The production of this annual would not be possible without your financial assistance.

THANK YOU!

Mrs. Catron,
Best wishes to you
always. I have truly
enjoyed having you as a
teacher. I'm looking forward
to next year.

Sincerely,
Elizabeth Funn

Mrs. Catron,

Best wishes to you always.

I have greatly enjoyed your
class this year and am beginning
to understand why the WHS science
department is respected all over
the state of Virginia. I'm looking
forward to Physics next year and I
hope you can say the same, Best
of life to you.

Gilda Walls
Sp Chem.

Mrs. Catron,
Best wishes of
life and happiness
to one of my favorite
teachers in the years
to come. I have enjoyed
Chemistry class this year.

Sincerely yours,
Randy Rickett

Mrs. Catron
Best of luck
to one of my
favorite teachers. I
have really enjoyed
having the special Chemistry under
you. I'll always remember
Chemistry class.
Sharon Hayden

Mrs. Catron,
It seems odd signing
a teachers annual. When
I came back over to Worth
I thought Chemistry was really
going to be terrible, but it hasn't
been as frightening as I thought!
I have actually enjoyed Chemistry!
May you find happiness always.
(I wish I knew one of Albert Einstein's
quotes - - but I'm afraid I don't!)
So... $E=mc^2$ - how's that? See you next
year.

Elizabeth Taylor
